Message from the Village Manager

Always Improving

Dear Islanders:

With summer just weeks away, I am pleased to report that the months-long Community Center expansion is now complete. The ribbon-cutting ceremony took place on Tuesday, April 18th, as well as a tour of the newly renovated center, which is now equipped with additional program spaces and other numerous enhancements.

The Village Council is close to obtaining the site plan approval for the 530 Crandon Boulevard property, located near the Village's Civic Center. Council has been reviewing several park plan options for the property and will announce the park's specific features once the site plan has been approved.

Development of another passive neighborhood park, located at 401 Hampton Lane, will soon be completed, with a grand opening ceremony to take place before the fall.

Village officials are busily preparing for the 2017/2018 fiscal year budget sessions. The budget cycle officially begins in mid-June with the first Budget Workshop. The first and second budget hearings will then take place in September, where, as always, the public is invited to attend and provide their input.

In mid-March, the Village Council directed the Police department to enhance traffic enforcement on the Key. The Police are now conducting a 90-day review and will report back to Council in June with their results. In the meantime, residents and visitors are asked to adhere to enforcement efforts, which include: maintaining slow speeds while driving on the Key and following indicated speed limits, adhering to traffic laws and being acutely aware of golf carts on the road, many of which are being driven by younger drivers. Please remember that any person can drive a golf cart if they are 15 years of age, possess a valid restricted drivers license, and have a licensed adult of 18 years of age or older as a passenger. Otherwise they must be 16 years of age with a valid Florida drivers license. For a complete list of golf cart rules, please visit the Golf Cart Registration and Rules page at www.KeyBiscayne.FL.Gov or contact our police department directly.

I want to wish everyone a relaxing and enjoyable summer and to remind all residents to be safe, especially when in or on the water.

Nidos is an interactive theater performance filled with magic that will educate and entertain while exposing children and their families to other cultural traditions. The tree and its roots, the forest and its sounds, the birds and their nests have all inspired this work. A nest is a place where something is born or originates, a place where one has lived with one's parents during childhood, a tree-bed where the eggs sleep and the chicks are raised. Birds make them in the most unexpected places, but our nests are located in a unique tree. The audience will be able to interact with the actor/puppeteer at the conclusion of the performance. After the interaction, there will be a presentation by **Short Chef**. This culinary expert is leading the fight against obesity and diabetes in children, empowering them with knowledge to make better decisions to fuel their bodies with the best nutrition.
